When you have a large case requiring depositions in numerous locations worldwide, coordinating schedules can take up a lot of your time. Counsel, co-counsel and witnesses need to be organized. Conference rooms need to be located and booked. Court reporting, videography and real-time hook-ups need to be arranged.

With dozens of domestic locations, international locations in Europe and Asia and more than 400 affiliates worldwide, Merrill Legal Solutions can deliver the consistent quality you expect.

Make one local phone call or schedule online. Merrill Legal Solutions makes your job easier:

- Cover depositions anywhere in the world with just one local phone call
- Arrange court reporters, videographers and conference rooms
- Store all transcripts locally for quick retrieval and convenient access

Merrill has the largest network of court reporters and a global reach. One call gives you deposition resources anywhere in the world, enabling you to save time and streamline your process. And because Merrill is recognized for timeliness and accuracy you can trust that regardless of the deposition location, your quality requirements will be met.
