

APAC WEBINAR: CHINA PRIVATE EQUITY FIRMS BOOST CHANCES OF M&A SUCCESS

SECURE
SUCCESS

China continues to dominate the private equity landscape in Asia Pacific and private equity firms have raised record amounts of capital to put to work. However there are challenges ahead: entry multiples remain stubbornly high while volatile stock markets make exits via IPOs difficult.

Merrill Corporation and Finance Asia brought together a group of esteemed professionals to discuss:

- + How to achieve high exit multiples as economic growth slows
- + How to boost chances of M&A success as the IPO exit route remains challenging
- + How have recent regulatory developments impacted the M&A process
- + How technology can facilitate and increase efficiency
